

Understanding Risk Creating Value

Part Of A Strong Financial Community

With around **155,000** employees worldwide, the Allianz group serves **126** mn customers¹ in more than **70** countries.

On the insurance side, Allianz is the market leader in the German market and has a strong international presence.

In fiscal year 2021 the Allianz Group achieved total revenues of approximately **149** bn euros

Allianz is one of the world's largest asset managers, with third-party assets of **1,966** bn euros under management at year end.

¹ Including non-consolidated entities with Allianz customers.

The Allianz Group is a global financial services provider with services predominantly in the insurance and asset management business. 126 million retail and corporate clients in more than 70 countries rely on our knowledge, global presence, financial strength and solidity. In fiscal year 2021, over 155,000 employees worldwide achieved total revenues of 149 billion euros and an operating profit of 13.4 billion euros.

Beyond the quality of our financial performance, a number of other activities and factors are important for the sustainable growth of our business and company value. These include, but are not limited to, our broad-based portfolio and global reach, our focus on customer needs, our value-based management approach and the skills and professionalism of our employees.

Allianz Re is the reinsurance arm of the Allianz Group. Headquartered in Munich, Germany, Allianz Re has offices strategically located close to key markets in Ireland, Singapore, Switzerland and the United States, tailoring reinsurance solutions to the diverse business needs of customers worldwide. As a global organization, we bring together a team of international experts in both the underwriting and risk management fields, combining global and local market expertise and multi-segment know-how.

Backed by Allianz' strong capital base and a well-diversified portfolio, Allianz Re offers secure capacity and world-class technical capabilities. Our capacity and knowledge protect our clients against financial losses, help them meet regulatory requirements and contribute to keeping them competitive.

This combination of skills, capacity and security is at the core of our mission **UNDERSTANDING RISK – CREATING VALUE**

Our Strategic Focus Areas

Internal pooling & volatility management

MAXIMIZE retained profit within given risk appetite

Cat Management

IMPROVE OE cat management and provide tools

Capital and Legacy Management

OPTIMIZE OE return on equity (RoE) and actively address OE legacy issues

Third-party Business
