WELCOME TO OUR COMMUNITY

Understanding Risk – Creating Value
PART OF A STRONG FINANCIAL COMMUNITY

The Allianz Group is a global financial services provider with services predominantly in the insurance and asset management business. 92 million retail and corporate clients in more than 70 countries rely on our knowledge, global presence, financial strength and solidity. In fiscal year 2018 over 142,000 employees worldwide achieved total revenues of 130.6 billion euros and an operating profit of 11.1 billion euros.

Beyond the quality of our financial performance, a number of other activities and factors are important for the sustainable growth of our business and company value. These include, but are not limited to, our broad-based portfolio and global reach, our focus on customer needs, our value-based management approach and the skills and professionalism of our employees.

Allianz Re is the reinsurance arm of the Allianz Group. Headquartered in Munich, Allianz Re has offices strategically located close to key markets in Ireland, Singapore, Switzerland and United States of America, tailoring reinsurance solutions to the diverse business needs of customers worldwide. As a global organization, we bring together a team of international experts in both the underwriting and risk management fields; combining global and local market expertise and multi-segment know-how.

Backed by Allianz’ strong capital base and a well-diversified portfolio, Allianz Re offers secure capacity and world-class technical capabilities. Our capacity and knowledge protect our clients against financial losses, help them meet regulatory requirements and contribute to keeping them competitive.

This combination of skills, capacity and security is at the core of our mission UNDERSTANDING RISK - CREATING VALUE
OUR BUSINESS

Understanding Risk – Creating Value

DISCLAIMER

These assessments are, as always, subject to the disclaimer provided below.

Cautionary Note Regarding Forward-Looking Statements
The statements contained herein may include statements of future expectations and other forward-looking statements that are based on management’s current views and assumptions and involve known and unknown risks and uncertainties that could cause actual results, performance or events to differ materially from those expressed or implied in such statements. In addition to statements which are forward-looking by reason of context, the words “may”, “will”, “should”, “aspects”, “plans”, “intends”, “anticipates”, “believes”, “estimates”, “predicts”, “potential”, or “continue” and similar expressions identify forward-looking statements. Actual results, performance or events may differ materially from those in such statements due to, without limitation, (i) general economic conditions, including in particular economic conditions in the Allianz Group’s core business and core markets, (ii) performance of financial markets, including emerging markets, and including market volatility, liquidity and credit events (iii) the frequency and severity of insured loss events, including from natural catastrophes and including the development of loss expenses, (iv) mortality and morbidity levels and trends, (v) persistency levels, (vi) the extent of credit defaults, (vii) interest rate levels, (viii) currency exchange rates including the Euro/U.S. Dollar exchange rate, (ix) changing levels of competition, (x) changes in laws and regulations, including monetary convergence and the European Monetary Union, (xi) changes in the policies of central banks and/or foreign governments, (xii) the impact of acquisitions, including related integration issues, (xiii) reorganization measures, and (xiv) general competitive factors, in each case on a local, regional, national and/or global basis. Many of these factors may be more likely to occur, or more pronounced, as a result of terrorist activities and their consequences. The company assumes no obligation to update any forward-looking statement.

No duty to update
The company assumes no obligation to update any information contained herein.
